SEE!

THERE'S NOTHING

TO BE AFRAID OF.

For grown ups, too, crossing even a familiar room can be a trip through strange territory—in the dark. So light is your best companion, wherever you go.

Properly located switches keep you safe from bumps and falls. They eliminate that blind and helpless groping for the switch. Multiple control switches will keep light ahead of you, so you'll never have to enter a dark room or hallway.

You'll be interested, too, in the other advantages of multiple switches. They permit you to control lights from several points—saving steps, and saving electricity, too. Be sure your home plans include the types of switches you want, and where you want them. They will help you to enjoy more of the benefits that electricity is bringing to your home. Call your nearest Edison office for advice on adequate wiring.

SALVATION ARMY URGES AID IN SALVAGE DRIVE

Seventieth anniversary of the Salvation Army's establishment in the United States is being celebrated this year with even greater efforts to give a helping hand to the handicapped and to those in need.

"We will continue with increased vigor our program of faithful, unselfish service to humanity," Brigadier Fred Ohn said today. Brig. Ohn is manager of the Salvation Army social service center serving this area.

In line with this pledge, Brig. Ohn announced plans for the Spring Salvage Week campaign to be held April 17-22. He urged housewives and executives to begin immediately a thorough search of closets and garages for no-longer-wanted articles, then telephone FR. 2-2867 for a Red Shield truck to call for them.

"Last year through our program," Brig. Ohn said, "2125 men were given the opportunity to earn their way back to a useful place in society. In addition, 74,814 meals, 18,425 beds, and 231,000 man hours of work

were provided. We need your discards to carry on this program. A telephone request to FR. 2-2867 will bring a Salvation Army truck to your home or office."

Ceremony Planned For April

An April wedding is being planned by Miss Charlene Brown, daughter of Mr. and Mrs. Charles Brown of 2335 W. 250th street and Mr. John Morgan of Long Beach, following the announcement made by the family of the bride-elect this week.

Miss Brown graduated with the '48 summer class of Narbonne High School. Mr. Morgan, son of Mr. and Mrs. L. Bravanger of San Francisco, is a graduate of Polytechnic High School in Long Beach and is employed by the Associated Telephone Company in that city.

Catholic Card Party

Mrs. Bernard Dougan will serve as chairman for this evening's Catholic Altar Society sponsored weekly card party in Nativity hall, Cota at Manuel avenue. Everyone is invited. Tallies may be procured at the door.

Assisting as hostesses will be Mesdames Walter Schaefer, John V. Murray, Anthony Jesome, John Allen, Silvester Sullivan, Alfred Dutz, John Harvey, William Souza, Philip Halloran, Rodney Stetson, William C. Walter, Gabriel Saenz, and Edward Sousa.

At the close of play, while tallies are being added, refreshments will be served. Prizes will be given for high scores in all popular games, including canasta, the committee chairman announced.

When love became devotion rather than possession, marriage reached the climax of its slow ascent from brutality.
